Certificate of Attendance

This certificate is presented to

Kaitlyn Dunn

in recognition of completing the
Bringing in the Bystander™ workshop

This training workshop involves 3 hours of programming to help you to:

- ❖ **Learn more about sexual assault and your role in preventing it**
 - **Identify a continuum of inappropriate sexual behaviours**
 - **Better identify situations where bystander intervention is appropriate**
 - **Identify barriers to successful intervention**

- ❖ **Understand how to provide support to victims/survivors of sexual assault**
 - **Empathize with victims of sexual assault**
 - **Understand the consequences of sexual assault for victims/survivors and communities**
 - **Increase your knowledge of resources available to support bystanders and victims/survivors**

RE: Kaitlyn Dunn
Volunteer Notetaking Program
Student Disability Services

This letter verifies **Kaitlyn Dunn** participation in the Volunteer Notetaking Program with Student Disability Services. **Kaitlyn** volunteered her notetaking skills, providing clear and complete notes, for student(s) with a disability at the University of Windsor. This service is essential to the academic success of the students with whom she was partnered.

Students like **Kaitlyn**, who selflessly take time to assist students with disabilities, are what kindness and leadership are all about.

Without dedicated individuals like **Kaitlyn** the educational experiences of those with additional challenges would be greatly diminished. This effort can truly make a significant difference in a student's life and potential career.

Kaitlyn was very committed to the notetaking program and has proven to be a wonderful example of what this voluntary service is all about.

If you require any further information regarding the notetaking program, or **Kaitlyn's** role in this program, feel free to contact me at 519-253-3000, Ext. 3463, or by email at notetaker@uwindsor.ca.

Sincerely,

A handwritten signature in cursive script that reads "Joy Lesperance".
