To Whom It May Concern:

It is my pleasure to write this letter of recommendation in support of Cardinal Carter Alumna, Ms. Hope Forman. I have had the pleasure of teaching Hope and watching her excel as student captain of our dance program. I have recently hired her to lead workshops and teach choreography at Carter and also, have hired her to privately teach my daughter vocal and theatre lessons. I have full confidence in her many talents and teaching abilities.

During Ms. Forman's time at CCSS, she developed a strong rapport with staff and students. She worked with a diverse group of students with professionalism and enthusiasm. She effectively taught lessons with a caring demeanor and consistent approach. Her calming tone and patience supported students in challenging situations; she was also very energetic and upbeat and certainly knew how to inspire students with excitement while teaching.

Hope displayed a great work ethic by volunteering with after school activities and assisting our arts students in a dance production entitled, Danceology. Her help ensured these students were successful in their performances; she created and taught exemplary choreography.

Ms. Forman is a very organized teacher and I was impressed with her lesson planning. She prepared very detailed lessons with clear objectives and connections to curriculum. Hope is a natural leader and teacher. She is charismatic, outgoing, enthusiastic, talented and dedicated. She produces consistent and high quality work. Many look up to her as she is a mentor in our community.

Ms. Forman is a natural born teacher, a true professional and will be an asset to any team. If you have any questions or if you would like to speak with me, feel free to contact me @ maggy_sonoski@wecdsb.on.ca.

Sincerely,

Maggy Sonoski
Teacher and Artistic Dance Director
