

PINELAND PUBLIC SCHOOL

April 18, 2018

To Whom It May Concern:

Katie Wilson has been a volunteer at Pineland Public School for 2 years providing over 100 hours of volunteer work. During her time at Pineland, Katie enthusiastically worked with a number of teachers and students to support the learning in the classroom. She always brought a positive attitude and was willing to work with any student, including those with more challenges with either academics (reading/writing) or behaviours. Katie was eager to learn and always professional in all aspects of her role.

Katie was punctual, dependable, and showed great initiative during her time at Pineland. She sought out additional tasks and made herself very helpful to staff, offering to do odd jobs to help out the school.

Katie made special and genuine connections with students, ensuring they felt safe and supported. She regularly accepted feedback from teachers and administration and applied this feedback to her next volunteer day. While Katie can be quieter, she is a careful observer and will speak up when she has something to share, often providing helpful suggestions.

We wish Katie all the best in her teaching career. We are positive that her caring demeanor and passion for learning will be an asset to any school. Please do not hesitate to contact me should you require further information.

Sincerely,

A handwritten signature in black ink that reads "J. Farquhar".

Jan Farquhar
Vice Principal
