(B) Associate Teacher Comments:

Strengths	Areas of Improvement
<p>Silan is a very professional teacher candidate who is always eager to learn and accept constructive criticisms of lessons and lesson plans. She always made a conscious effort to get to know the students on a more personal level. Silan was able to easily transition into an online role that entailed supporting lessons and continued lesson planning. Silan was able to use a multitude of effective strategies to assess student learning and incorporate these strategies into her lessons. Silan is always clear when she speaks and has a sense of direction when teaching her lessons. Silan always had her lessons prepared well in advanced in order to go over them before her lesson started.</p>	<p>Silan is encouraged to continue working on her classroom management skills at the intermediate level. With continued improvement, she will ensure that students are not missing key information due to distractions or behavior. Silan is encouraged to always keep an eye on the clock and time out her lessons to ensure that the bell does not ring before she finishes the lesson. This will ensure that the lessons are complete on time and also ensure the students have time to get ready for recess before the bell. Silan is encouraged to add more content to her Power Points and activities to ensure that she has enough material to get through a 40 minute teaching block.</p>
