Educational Reform GREAT!

Individualizing Education
LOVE IT!

~~LEARNIFICATION~~

Shift from:
• teaching → learning
• instructivist → constructivist

... BUT... makes us question teacher-student relationships

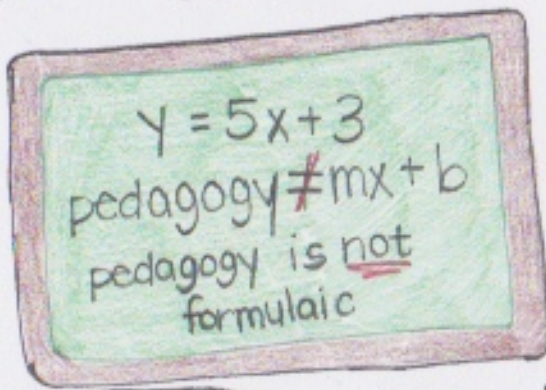

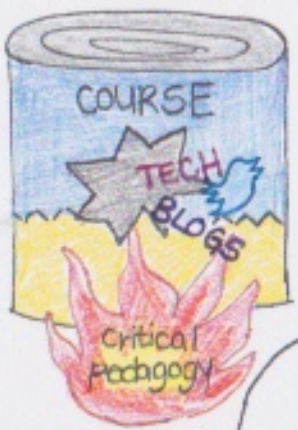

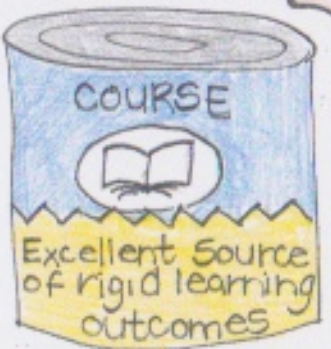

QUESTIONING LEARNING?

Amy Collier
Chris Friend

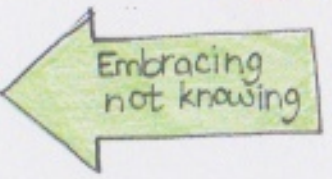

⇒ placing emphasis on learning hides the question of the value of education

NOT-YETNESS

• playing / experimenting with a concept before fully understanding

EXCITEMENT
JOY
TICKLEDNESS
PREPARATION FOR LIFE

Why focus on:
UNPREDICTABLE?
UNCERTAINTY?
DISCOMFORT?
RISK?
