

## Faculty of Nursing CPE

# Final Assessment

For Reem Boudali, by Braco Topcagic

Submitted Dec. 11, 2021.

## Details

<b>Summary of progress (Discuss concepts identified in the course, learning plan progress, skills)</b>	Reem has completed her clinical placement on 5N at Met campus. She consistently adheres to the UofW/ WRH PPE policies and that of nursing students. She comes to clinical on time and prepared to care for her patient. Rheem is honest about work completed and takes feedback well to improve areas of concern. She has good communication skills and is always happy to help. Reem works well with her peers and co assigned nurses to help throughout the day.
<b>Strengths (Things you did well consistently):</b>	Patient therapeutic relationship Communication Empathetic listening.
<b>Areas for Improvement/Growth (Things you need to work on): Must be addressed in your learning plan for the next clinical experience</b>	Continue to review labs and compare them to your patients overall health status.
