To Whom This May Concern,

It is my pleasure to write this letter of recommendation for Ms. Marta Sokol in support of her application to The Faculty of Education. I have had the pleasure of working with Ms. Marta Sokol for the last five years in the Full Day Kindergarten Program at St. Angela School. We are teaching partners and enjoy a mutually respected teacher - early childhood educator relationship. I rely on Miss Sokol's knowledge of child development and educational pedagogy as we work together to develop a two-year Full Day Kindergarten program based on the Ontario Kindergarten Curriculum,

Ms. Sokol understands how to engage students by starting with inquiry. She shapes instruction to meet the needs of the students in our classroom. This year we had a class of 29 students. Ms. Sokol prioritized our student's needs, shared her passion for education, and planned innovative lessons for our students. She instills a growth mindset in our students and reinforces their strengths.

Ms. Sokol uses a variety of assessments to track student progress. She records observations and conversations with students and uses this information to drive future provocations. I value Miss Sokol's input in our Communication of Learning to parents. She thoughtfully develops individualized student comments based on the Ontario Kindergarten Curriculum, growth in student learning, and next steps for learning.

Ms. Sokol has developed a strong rapport with students, parents, and staff at St. Angela School. She has worked with a diverse range of students with professionalism and enthusiasm. Miss Sokol's extensive knowledge of the Ontario Kindergarten Curriculum and her ability to create comments for Communication of Learning is exemplary. She is an excellent teacher!
