

using ClassDojo effectively

WHY IT'S GREAT

CLASSROOM MANAGEMENT BECOMES INTERACTIVE

Students are rewarded with points accompanied by a content ping sound audible to the whole class.

COMMUNICATE WITH PARENTS AT THE CLICK OF A BUTTON

Parents are notified when a change is made to their child's profile and when direct messages are sent from the teacher.

WHAT DOES GOOD BEHAVIOUR LOOK LIKE IN YOUR CLASS?

Customize your ClassDojo to reward the most important behaviours, attitudes and more in your classroom.

TAKE IT ANYWHERE!

Download the app to any device to access your class from anywhere at anytime. Even project it for the whole class to see!

✓ CHECK THE FACTS

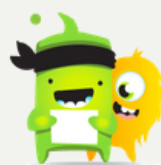

PRIVATE OR PUBLIC?

Make sure your class' privacy settings are appropriate for your classroom guidelines and the students in it. Making your account public opens it up for others to peer into your classroom profiles.

IS YOUR INFORMATION PROTECTED?

Read the fine print before pressing "Accept" or you may be subject to unsolicited ads and recommendations tailored to yours and your classroom's preferences.

THE POWER IS IN THE HAND OF THE BEHOLDER

Remember that YOU, the teacher, are in charge of how the app is used. Make each reward / punishment purposeful in your students' overall success.
